ADDITIONAL INFO

MASTER PROJECT

The Master Project allows you to put acquired knowledge and skills into practice, through an **applied project of relevance to business**, performed in accordance with a best in class principals. Should you have the ability to perform high quality research may also be offered the opportunity to perform their Master Project in the form of an applied research project under the supervision of members of [EDHEC faculty](#) or its research centers.

CAREER CENTER SERVICES

The Career Centre helps you design your job-search strategy and assess your recent work experience and managerial competencies. The TI&CD programme, unique in Europe, evaluates and assesses your strengths and areas of improvement based on 8 managerial competencies defined by international recruiters. The TI&CD is a real career booster enabling EDHEC students to assess and hone their managerial competencies to be particularly efficient in their first job.

FRENCH CLASSES

French courses are offered free of charge to facilitate understanding of French culture and society.
